LRB097 10096 AMC 55887 a

1 AMENDMENT TO HOUSE BILL 3108

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3108 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by changing Section  
5 1D-1 as follows:

6 (105 ILCS 5/1D-1)

7 Sec. 1D-1. Block grant funding.

8 (a) For fiscal year 1996 and each fiscal year thereafter,  
9 the State Board of Education shall award to a school district  
10 having a population exceeding 500,000 inhabitants a general  
11 education block grant and an educational services block grant,  
12 determined as provided in this Section, in lieu of distributing  
13 to the district separate State funding for the programs  
14 described in subsections (b) and (c). The provisions of this  
15 Section, however, do not apply to any federal funds that the  
16 district is entitled to receive. In accordance with Section

1 2-3.32, all block grants are subject to an audit. Therefore,  
2 block grant receipts and block grant expenditures shall be  
3 recorded to the appropriate fund code for the designated block  
4 grant.

5 (b) The general education block grant shall include the  
6 following programs: REI Initiative, Summer Bridges, Preschool  
7 At Risk, K-6 Comprehensive Arts, School Improvement Support,  
8 Urban Education, Scientific Literacy, Substance Abuse  
9 Prevention, Second Language Planning, Staff Development,  
10 Outcomes and Assessment, K-6 Reading Improvement, 7-12  
11 Continued Reading Improvement, Truants' Optional Education,  
12 Hispanic Programs, Agriculture Education, Parental Education,  
13 Prevention Initiative, Report Cards, and Criminal Background  
14 Investigations. Notwithstanding any other provision of law,  
15 all amounts paid under the general education block grant from  
16 State appropriations to a school district in a city having a  
17 population exceeding 500,000 inhabitants shall be appropriated  
18 and expended by the board of that district for any of the  
19 programs included in the block grant or any of the board's  
20 lawful purposes.

21 (c) The educational services block grant shall include the  
22 following programs: Bilingual, Regular and Vocational  
23 Transportation, State Lunch and Free Breakfast Program,  
24 Special Education (Personnel, Transportation, Orphanage,  
25 Private Tuition), funding for children requiring special  
26 education services, Summer School, Educational Service

1 Centers, and Administrator's Academy. This subsection (c) does  
2 not relieve the district of its obligation to provide the  
3 services required under a program that is included within the  
4 educational services block grant. It is the intention of the  
5 General Assembly in enacting the provisions of this subsection  
6 (c) to relieve the district of the administrative burdens that  
7 impede efficiency and accompany single-program funding. The  
8 General Assembly encourages the board to pursue mandate waivers  
9 pursuant to Section 2-3.25g.

10 The funding program included in the educational services  
11 block grant for funding for children requiring special  
12 education services in each fiscal year shall be treated in that  
13 fiscal year as a payment to the school district in respect of  
14 services provided or costs incurred in the prior fiscal year,  
15 calculated in each case as provided in this Section. Nothing in  
16 this Section shall change the nature of payments for any  
17 program that, apart from this Section, would be or, prior to  
18 adoption or amendment of this Section, was on the basis of a  
19 payment in a fiscal year in respect of services provided or  
20 costs incurred in the prior fiscal year, calculated in each  
21 case as provided in this Section.

22 (d) For fiscal year 1996 and each fiscal year thereafter,  
23 the amount of the district's block grants shall be determined  
24 as follows: (i) with respect to each program that is included  
25 within each block grant, the district shall receive an amount  
26 equal to the same percentage of the current fiscal year

1 appropriation made for that program as the percentage of the  
2 appropriation received by the district from the 1995 fiscal  
3 year appropriation made for that program, and (ii) the total  
4 amount that is due the district under the block grant shall be  
5 the aggregate of the amounts that the district is entitled to  
6 receive for the fiscal year with respect to each program that  
7 is included within the block grant that the State Board of  
8 Education shall award the district under this Section for that  
9 fiscal year. In the case of the Summer Bridges program, the  
10 amount of the district's block grant shall be equal to 44% of  
11 the amount of the current fiscal year appropriation made for  
12 that program.

13 (e) The district is not required to file any application or  
14 other claim in order to receive the block grants to which it is  
15 entitled under this Section through the 2010-2011 school year.  
16 The State Board of Education shall make payments to the  
17 district of amounts due under the district's block grants on a  
18 schedule determined by the State Board of Education. Beginning  
19 with the 2011-2012 school year, the district shall submit  
20 application, approval data, and claim information in the same  
21 manner and format as all other school districts for programs  
22 provided in the general education and educational services  
23 block grant.

24 (f) A school district to which this Section applies shall  
25 report to the State Board of Education on its use of the block  
26 grants in such form and detail as the State Board of Education

1 may specify.

2 (g) This paragraph provides for the treatment of block  
3 grants under Article 1C for purposes of calculating the amount  
4 of block grants for a district under this Section. Those block  
5 grants under Article 1C are, for this purpose, treated as  
6 included in the amount of appropriation for the various  
7 programs set forth in paragraph (b) above. The appropriation in  
8 each current fiscal year for each block grant under Article 1C  
9 shall be treated for these purposes as appropriations for the  
10 individual program included in that block grant. The proportion  
11 of each block grant so allocated to each such program included  
12 in it shall be the proportion which the appropriation for that  
13 program was of all appropriations for such purposes now in that  
14 block grant, in fiscal 1995.

15 Payments to the school district under this Section with  
16 respect to each program for which payments to school districts  
17 generally, as of the date of this amendatory Act of the 92nd  
18 General Assembly, are on a reimbursement basis shall continue  
19 to be made to the district on a reimbursement basis, pursuant  
20 to the provisions of this Code governing those programs.

21 (h) Notwithstanding any other provision of law, any school  
22 district receiving a block grant under this Section may  
23 classify all or a portion of the funds that it receives in a  
24 particular fiscal year from any block grant authorized under  
25 this Code or from general State aid pursuant to Section 18-8.05  
26 of this Code (other than supplemental general State aid) as

1 funds received in connection with any funding program for which  
2 it is entitled to receive funds from the State in that fiscal  
3 year (including, without limitation, any funding program  
4 referred to in subsection (c) of this Section), regardless of  
5 the source or timing of the receipt. The district may not  
6 classify more funds as funds received in connection with the  
7 funding program than the district is entitled to receive in  
8 that fiscal year for that program. Any classification by a  
9 district must be made by a resolution of its board of  
10 education. The resolution must identify the amount of any block  
11 grant or general State aid to be classified under this  
12 subsection (h) and must specify the funding program to which  
13 the funds are to be treated as received in connection  
14 therewith. This resolution is controlling as to the  
15 classification of funds referenced therein. A certified copy of  
16 the resolution must be sent to the State Superintendent of  
17 Education. The resolution shall still take effect even though a  
18 copy of the resolution has not been sent to the State  
19 Superintendent of Education in a timely manner. No  
20 classification under this subsection (h) by a district shall  
21 affect the total amount or timing of money the district is  
22 entitled to receive under this Code. No classification under  
23 this subsection (h) by a district shall in any way relieve the  
24 district from or affect any requirements that otherwise would  
25 apply with respect to the block grant as provided in this  
26 Section, including any accounting of funds by source, reporting

1 expenditures by original source and purpose, reporting  
2 requirements, or requirements of provision of services.
